

VALENCIA DECLARATION

7 COMMITMENTS

Universities advance, society prospers

1 FOR A BETTER SOCIETY

To contribute to the construction of a **more fair, sustainable and equitable society** for all

5 OPEN INVESTIGATION

To include global and local challenges in **research** and in the **transfer of knowledge** to the benefit of society

2 CONTINUOUS LEARNING

To drive new supplementary learning models that are **more adaptive, flexible** and that respond to **human diversity**

6 INCLUSIVE MOBILITY

To foster academic exchanges and cooperation between universities in the interest of **open and inclusive education**

3 COMPREHENSIVE EDUCATION

To provide comprehensive education that prepares students for the **world of work and for social leadership**

7 COLLABORATIVE ACTION

To boost **collaboration** with different social agents to offer **increased value to society** through their missions

4 ENTREPRENEURIAL SKILLS

To incentivise **initiative** and **creativity** for the creation of solutions to current challenges, contributing to the **sustainable development** of communities
